

# Family Engagement Frameworks

## Dual Capacity

Follow the 4 C's! Family engagement strategies to keep in mind:

- ➡ Knowledge and skills of families and educators (Capabilities)
- ➡ Relationships between families and educators (Connections)
- ➡ Level of self-efficacy that families and educators have (Confidence)
- ➡ Worldviews, beliefs, assumptions of families and educators (Cognition)

Mapp, 2019

## 6 Types of Involvement

Involve families at different levels!

Parenting

Offer mutual support networks; training, education, workshops

Communicating

Use different modes of communication to build trust and gather input

Volunteering

Provide different levels of commitment for activities

Learning @ Home

Homework activities; offering accessible information on grading

Decision Making

Advocacy, Advisory Council participation

Community  
Collaboration

Connecting families with community organizations and services

National Network Of Partnership Schools

*"Family Engagement is a full, equal, and equitable partnership among families, educators, and community partners to promote children's learning and development from birth through college and career." Dr. Karen Mapp*
