

## CAREGIVER TIP

Ask questions! Does your child need help with organizing their backpack? Are there important assignments to discuss? Be sure to ask!

## EDUCATOR TIP

Communicate early - before problems arise - AND when things are going well! Families are powerful partners in setting expectations! They also want to hear the positives that you see in the classroom!

## COMMUNITY TIP

Does your local school host career fairs or career exploration activities for their middle school students? Sharing your knowledge about a specific subject area or interesting hobby is key to successful partnerships!

## DID YOU KNOW?

Schools that establish connections with students' families before the academic year begins tend to achieve greater success!
